

Sioux City Brick LEED Credits

Blue circle is 500 miles from Sergeant Bluff plant.

Red circle is 500 miles from Adel plant.

1 LEED Credit for regional materials.

1 LEED Credit for regional raw materials.

LEED letters are available; please route your request through our customer service team.

If you are beyond the 500 mile LEED distance – please know that you will still get credit for our 8% post-industrial recycled content on all Sergeant Bluff plant products and 15% for our Granite Red, Cranberry, Plum, Napa Valley, and Cordovans from our Adel plant.

In Canada you can qualify for the LEED shipping distance if you ship by rail within 1500 miles. Canada also has a durability credit for clay brick.
